Rabo Foundation is committed to the sustainable growth of smallholder farmers. So that they can work towards better living conditions for themselves and their environment.

30+ partnerships

We believe we can achieve more when we work with partners. That's why in 2021 we partnered with over 30 organizations such as Ikea Foundation, USAID and Progreso.

93 organizations

gained **new insights** by sharing knowledge and through our experts' technical assistance. **150,000+ farmers** will benefit from this.

94 organizations

gained **access to our network**. We connected them with other funders, sales markets and technical experts. This allows them to provide better services to **250,000+ farmers**.

260 organizations

were able to start or scale up their activities through our funding, knowledge, network and innovative solutions.

farmers gain better access to markets, inputs and guidance

farmers receive better access to financial services and guidance

impact on the lives of

3.5 million smallholder farmers

71%

received financing they couldn't get anywhere else.

54%

we are the first financier for an organization.

46%

can tap into other sources through our funding.

66%

of the new funding went to organizations that **promote climate-smart agriculture**. This will enable them and **250,000+ farmers** to better cope with the changing climate.

68%

of the new projects we financed contribute to **reducing post-harvest losses**. This increases the chance that more crops from **240,000+ farmers** will reach the market.

126

new projects from organizations that are actively working to **strengthen the value chain**. They aim to strengthen the position of **450,000+ farmers**.
